Features

- Suitable for use with 205ltr drums
- Supplied complete with a 3:1 ratio oil pump, digital oil control gun, trolley and connection hose
- Warranty: two years

C808-OKDDD / C808-OKMD Drum Mount Oil Dispensing Kits

The C808-OKMD and C808-OKDD modular oil dispensing kits are suitable for 205ltr oil drums. Both kits have a two-year warranty.

The C808-OKDD kit includes the popular 808 series medium pressure oil reel, along with a choice of 3:1 or 5:1 ratio oil drum pump with a 2m pump to reel connecting hose. Included will also be the J1781501F/R Lubeworks® digital oil control gun.

The C808-OKMD is supplied with a J1782802 manual oil delivery gun rather than the J1781501F/R digital version.

Items included with C808-OKDD

C808-450M	50' (15m) x 1/2" medium pressure, spring rewind oil reel with SAE 100 RI hose
J300-DRUM or J500-DRUM	3:1 or 5:1 ratio oil pumps (drum)
J1782802	Oil control gun with flexible nozzle
TGCOS200	Pump to reel connecting hose

Items included with C808-OKMD

C808-450M	50' (15m) x 1/2" medium pressure, spring rewind oil reel with SAE 100 RI hose
J300-DRUM or J500-DRUM	3:1 or 5:1 ratio oil pumps (drum)
J1781501F/R	Digital oil control gun c/w both rigid and flexible nozzles
TGCOS200	Pump to reel connecting hose
