

BIOCLEAN

AGRI & FOOD

Cleaning in food environment

Applications

High pressure cleaning specifically for food industries. Can also be used for transfer of any liquid foodstuffs.

Advantages

- Very flexible.
- Non-marking cover.
- Food grade quality white inner tube, oil resistant.
- Branding over red stripe for easy and quick identification.

Technical description

Inner tube: food grade quality, oil resistant NBR, white, smooth.

Reinforcement: synthetic textile.

Cover: oil and weather resistant NBR/PVC, blue, smooth.

Temperature range: - 20 °C to + 100 °C.

Standard/Approval:

CEE GUIDE for food contact.
FDA directives.

Couplings/Fittings

Specially designed fittings are available, please contact us for further information in order to get optimum connections.
