Technical Description

Our Industrial step ladder range is available in both platform and swing-back versions, constructed from heavy duty channel section stiles with riveted treads. This step is engineered and tested by BSI to British Standards Class 1 and is suitable for heavy duty applications.

1. Reinforced 417 x 258mm checker-plate platform (platform steps only)
2. Comfortable 80mm treads
3. Heavy duty all aluminium construction
4. Hinged metal locking stays provide optimal stability
5. Box section back legs with heavy duty bracing
6. Slip resistant feet provide a firm footing

Standards & Classification

- » Max Load 175kg
- » BS2037 Class 1

Warranty

- » 3 Years

Commodity Code

- » 76169990
